

# CPC Selected for Design of Sam Jones Road for the Seminole Tribe of Florida

## Big Cypress Seminole Indian Reservation

We are pleased to announce that CPC was recently awarded this project for roadway design and site development for this new community located in the Big Cypress Seminole Indian Reservation.

### *Project Highlights Include:*

- ◆ *Providing a 22 foot paved road with sodded shoulders and drainage improvements for a 0.43 mile road segment off of West Boundary Road. The Right of Way (ROW) is 50-60 feet wide and the existing road is unimproved (earth road)*
- ◆ *Providing survey, design to include utilities (water and sewer), geotechnical services and grading plans for 1.5 acre home parcels*
