

# CPC Selected by GHO Homes For New Community in Port St. Lucie

## **AraBella at Tradition Port St. Lucie, Florida**

CPC was recently selected by GHO Homes to provide survey, engineering and the coordination of landscape architecture services for the development of an approximate 33 acre site. The development will consist of 85 single family units and associated infrastructure. Scope of services include planning and preparing a Conceptual Master Plan, preparing a boundary survey to support the platting process, preparing a site plan, construction plans and coordination of landscape architecture for a Model Home Park. CPC will finalize the design and prepare construction plans for the site improvements associated with the 85 residential lots including the extension of Tradition Lakes Boulevard.
